VOLUNTARY AMENDMENT

Dear Sir:

Please amend the above-identified application as follows:

In the Specification:

Please replace the paragraph beginning at page 16, line 1, with the following rewritten paragraph:

B1
"al. (ref. 17) disclosed that introduction of gold microprojectiles coated with DNA encoding bovine growth hormone (BGH) into the skin of mice resulted in production of anti-BGH antibodies in the mice, while Davis et al. (ref. 18) showed that a jet injector could be used to transfect skin, muscle, fat and mammary tissues of living animals."

Please replace reference no. 18 on page 30 with:

"18. Davis et al., Vaccine 1994, 12: 1503:1509."
